The Henley HandyBus has been serving people living in and around Henley for over 30 years. It helps people to get out and about, to meet their pals and to go shopping locally and twice a month to Reading.

The bus will collect you from your home and take you to various places in Henley on a daily basis. It carries all kinds of people including those with mobility difficulties and people who perhaps do not have transport or are unable to access regular busses. The bus carries wheelchairs and of course our drivers always help with heavy shopping bags and trolleys. There are many reasons why you may be eligible to use the bus. If you have a bus pass it's free. If you do not have one we can help you get one. If you are not eligible for a bus pass you can still use the bus as we make only a small charge. The bus can carry up to 14 passengers as well as one or two wheel chairs. The tail lift makes it easy to load wheel chairs or heavy shopping. Each day the bus has its regular duties which include shopping at Tesco and Waitrose. Every day it takes passengers to the 60+ Club in the town centre.

The bus also does various visits in the evenings and at weekends. For instance to garden centres, for coffee mornings and afternoon teas. In the Spring, Summer and Autumn we go to all kinds of venues. These are advertised on our website (www.henleyhandybus.co.uk) on the Outings page. We also advertise all of our routes and activities on the bus or you can make an enquiry by ringing **07597 124851**

The bus also provides a service every other Thursday evening to The Meteor Club (a Mencap charity) and on every other Thursday morning to the Stroke Club Art Class.

We want the bus to be used by as many people as possible, if you are wondering if it might be right for you please call on **07597 124851** or email info@henleyhandybus.co.uk

Come and try us out.....we think you will like us.
